Boise Mold Removal Warranty Process Overview

ESTIMATE

<b>Task 1.0</b>	<b>Rate</b>	<b>Qty</b>	<b>%</b>	<b>Amount</b>
Contain Area for Remediation in the Garage and in the Master Closet. (Containment eliminates any contaminates from existing into the livable space. Without the containment also the insulation, if removed can possibly enter the livable space, kicking insulation, dirt and possible mold-like substance around. We can pull the containment after remediation has taken place.)	\$345	1	0%	\$345
<b>Task 2.0</b>	<b>Rate</b>	<b>Qty</b>	<b>%</b>	<b>Amount</b>
Removal of blow-in insulation in the attic. The attic space is approximately (2) 6' x 82' sections and the growth is located on the trusses. (IICRC certification requires all mold remediation companies to remove insulation when the growth is over 10sqft. This is a square footage calculation.)	\$1.70	984	0%	\$1,672.80
<b>Task 3.0</b>	<b>Rate</b>	<b>Qty</b>	<b>%</b>	<b>Amount</b>
HEPA vacuuming in attic (This is a pre and post process. HEPA vacuuming is a process of pulling all contaminates off a surface area. This process eliminates mold particles from a surface area with specific vacuums without contaminating the air quality of a livable space. HEPA vacuuming is normally done before and after to reassure no particles are in the space that was contaminated).	\$0.90	984	0%	\$885.60
<b>Task 4.0</b>	<b>Rate</b>	<b>Qty</b>	<b>%</b>	<b>Amount</b>
Treatment with anti-microbial solution in attic (Treatment is performed with an anti-microbial solution that eliminates and prevents future growth. All treatment is warrantied for 3yrs. unless Boise Mold Removal does not provide a warranty under the stipulations of the client not solving the underlying issue that caused the growth in the first place.)	\$2	984	0%	\$1,968
<b>Task 5.0</b>	<b>Rate</b>	<b>Qty</b>	<b>%</b>	<b>Amount</b>
Blow-in insulation into attic (Attic insulation will be filled according to the current R-values in the area) Client discussed that they may off blow-in insulation. We would take off the price of each bag if they wanted us to use their bags.	\$2.25	984	0%	\$2,214

Subtotal	\$7,085.40
Total	\$7,085.40
